Letter from A.C. Woodhouse, Esq., C.I.E., Collector of South Kanara, Ref. C. No. 7263-39-A5, dated 21-12-1939.

Establishment - Temporary (South Kanara) - Land Revenue collection work - 1940 - employment - proposals.

The following special staff was entertained in 1939 to assist the ordinary revenue staff in the collection of land revenue under the orders issued in G.O. No. Ms. 438, dated 20-2-39. (F)

(1) One attender on Rs.19--30 per mensem for a period of five months in each of the Taluk offices of Mangalore and Puttur.

(2) One attender on Rs.19--30 per mensem for a period of four months in each of the taluk offices of Udipi, Coondapoor and Karkal.

(3) Two attenders on Rs.19--30 each per mensem for a period of 6 months in the taluk office Kasaragod.

(4) One Lower Division Clerk in the Kasaragod Taluk to enable the deputation of a clerk to do duty as Revenue Inspector in the Hosdrug Sub Taluk for a period of 5 months and -

(5) One peon to work under the above Revenue Inspector in Hosdrug Sub Taluk for a period of five months.

2. The attenders are for writing out the actual processes, the number of which in each taluk is such that it cannot be attended to by the existing staff without detriment to their other work. The general conditions in this district with regard to Land Revenue collection work do not show any signs of improvement in the coming year. The number of habitual defaulters who persist in defaulting payment of dues unless and until the Revenue authorities take out processes have remained stationary and even increased in some taluks such as Kasaragod and Puttur with the result that the need for the entertainment of additional staff for doing the scriptory work in the coming year also is felt. The recent orders of Government treating pepper as a dry crop in this District has reduced the collectable demand in Kasaragod Taluk by about Rs.22.000/-. But the difficulty of collection in this taluk has not in any way been minimised. Though the orders of Government reducing the assessment on pepper gardens were received recently, the ryots in those parts were getting this reduction in the previous two faslis in the shape of suspension of land revenue (now written off), but during these two years there were no facilities for the revenue subordinates to collect the balance without

recourse to coercive processes. The number of landsales in this taluk have not in any way decreased and the need for the entertainment of a special Revenue Inspector still felt. I therefore consider that the staff sanctioned for the year 1939 will be necessary for the coming year also.

3. I therefore recommend that the following temporary staff may be sanctioned for 1940:--

(1) One attender on Rs.19--30 per mensem for a period of 5 months from 10-2-1940 in each of the taluk offices of Mangalore and Puttur

(2) One attender on Rs.19--30 per mensem for a period of 4 months from 10-2-1940 in each of the taluk offices of Udipi, Coondapoor and Karkal.

(3) Two attenders on Rs.19--30 each per mensem for a period of six months from 10-2-1940 in the Taluk Office, Kasaragod.

(4) One lower division clerk in the Kasaragod Taluk to enable the deputation of a clerk to do duty as Revenue Inspector in the Hosdrug Sub Taluk for a period of five months from 20-4-1940.

(5) One peon to work under the Revenue Inspector in Hosdrug Sub Taluk for a period of five months from 20-4-1940.

The Revenue Inspector and the peon may be allowed to draw the fixed travelling allowance admissible under the rules.

4. As the kist collection in this district begins on 10-2-1940 the entertainment of the attenders has been applied for with effect from 10-2-1940. The entertainment of the special Revenue Inspector and the peon has been applied for with effect from 20-4-1940 as the lands come up for sale after notification etc., in the month of April.

The Board invites the attention of the Government
